January 21, 2023

Greetings Brothers,

Please help me in congratulating our newly elected Southeast District Convention President, Reverend Darryl Caldwell of the Antioch Missionary Baptist Church in Banks, Alabama. We look forward to supporting and continuing the work with him.

It is with joy and gladness that I write this letter, in hopes that you are in good health, and that you and your family are doing well.

*The mind of man plans his way, but the Lord directs his steps.  
Proverbs 16:9*

This scripture is an acclamation of the work that we plan. However, always keeping in mind that our ability to plan does not makes us lord over our lives. It is the Lord who directs our steps. Every plan we make should be held in humility before God and in surrender to His ultimate will.

As we go forward in 2023, I'd like to encourage every district and association with three goals:

1. To reach unsaved men with the gospel, and win them to God in Christ through a personal commitment.
2. To support and encourage old and new Laymen Ministry in the S.E.D.S.C.
3. To cooperate with our Pastors, Officers, and other Ministry; developing the work of the Laymen movement.

*We will work the works of Him that sent us, while it is day: for the night is coming, when no man can work. (John 9:4)*

My prayer is that God would continue to shine His light through you, give you His peace, and bless you beyond measure.

In His Hands,

Brother Michael Willis, Sr.  
President of the Southeast District Laymen
